SP2022 Chemistry Learning Assistant Application

(Note: When filling out the application, you will indicate which chemistry course(s) you are interested in serving as an LA and respond to the corresponding questions. All applicants will answer the final three questions.)

Thank you for your interest in serving as a Spring 2022 Learning Assistant! Please see the Learning Assistant webpage for details about eligibility and role requirements https://uc.uiowa.edu/student-success/learning-assistant-program. The webpage also includes a PDF of the application questions in case you would like to view them prior to completing this application. Applications are due Monday November 29th at 8AM. We look forward to reviewing your application!

Demographics:

☐ First Name ________________________________________________

☐ Last Name ________________________________________________

☐ Pronouns (Check out this link to learn more about pronouns: https://www.mypronouns.org/) ________________________________________________

☐ Student ID Number ____________________________________________

☐ HawkID _____________________________________________________

☐ University E-mail Address _______________________________________

☐ Cell Phone Number ____________________________________________

☐ Major/Minor __________________________________________________
Which chemistry course are you interested in serving as a Learning Assistant for? (You may indicate multiple).

- General Chemistry I (CHEM:1070)
- Principles of Chemistry I (CHEM:1110)
- Principles of Chemistry II (CHEM:1120)

Questions for General Chemistry I:

Spring 2022 General Chemistry I lectures will occur Tuesdays and Thursdays 8:00AM-9:15AM. Lectures are currently planned to occur in-person. It is expected that you will attend all days for a lecture section. Are you available for these lectures? (Applicants not available for these times will not be eligible to be a General Chemistry I Learning Assistant.)

- Yes, I am available
- No, I am not available

All Learning Assistants are required to attend a once-a-week prep meeting with faculty. Meetings are currently planned to occur in-person. Spring 2022 General Chemistry I meetings will occur Wednesdays 4:00PM-4:50PM. Are you available for these meetings? (Applicants not available for the meeting will not be eligible to be a General Chemistry I Learning Assistant.)

- Yes, I am available
- No, I am not available

Questions for Principles of Chemistry I:

Please select which lecture time(s) you are available to attend in Spring 2022 for Principles of Chemistry I (CHEM:1110). Lectures are currently planned to occur in-person. It is expected that you will attend all days for a lecture section.

- MWF 8:30 AM-9:20 AM
- MWF 10:30 AM-11:20 AM
All Learning Assistants are required to attend a once-a-week prep meeting with faculty. Meetings are currently planned to occur in-person. Which of the two available meetings would you be able to attend for Principles of Chemistry I preparation? (You may indicate both).

☐ Mondays 3:30PM-4:20PM
☐ Wednesdays 2:30PM-3:20PM

Questions for Principles of Chemistry II:

Please select which lecture time(s) you are available to attend in Spring 2022 for Principles of Chemistry II (CHEM:1120). Lectures are currently planned to occur in-person. It is expected that you will attend all days for a lecture section.

☐ MWF 8:30AM-9:20AM
☐ MWF 11:30AM-12:20PM

All Learning Assistants are required to attend a once-a-week prep meeting with faculty. Meetings are currently planned to occur in-person. Which of the two available meetings would you be able to attend for Principles of Chemistry II preparation? (You may indicate both).

☐ Mondays 2:30 PM-3:20 PM
☐ Thursdays 12:30 PM-1:20 PM
Questions all applicants will answer:

All Learning Assistants are required to attend a once-a-week pedagogy course in Spring 2022. The pedagogy course is planned to be in-person. There are four day/time options. Please mark which class section(s) you can attend.

- Tuesdays 9:30 AM-10:45 AM
- Tuesdays 2:00 PM-3:15 PM
- Wednesdays 3:30 PM-4:45 PM
- Thursdays 11:00 AM-12:15 PM

For the following questions, please answer the question prompts in your own words.

Why are you interested in being a Learning Assistant? What do you hope to gain from the position? Please write 1-2 paragraphs to fully answer the questions.
